Welcome,

I am excited to have the opportunity to host this amazing Explore Washington D.C. Training. Cadets will be given the opportunity to see many sites and learn about our great nation. They will have the chance to tour Capitol Hill, Marine Corps Barracks - Washington Evening Parade; a tradition of over 60 years held at the Oldest Post of the United States Marine Corps, Wreath Ceremony at the Tomb of the Unknown Soldier, Mount Vernon Mansion and many more locations being added. Cadets, be prepared to walk a minimum of 20 plus miles a day on the duration of this trip. D.C. in the summer is extremely hot and humid. If you think you cannot keep up with the group, this is not a training that you should apply for. I look forward to having your cadets and an amazing training.

Security:

Parents/Cadets - due to security reasons, your cadet **MUST** have **Valid Government Issued or State issued ID**. If your child does not have one, please arrange for them to apply for a **REAL ID** through your local DMV office. It can take up to 3 weeks to receive the REAL ID, so please do not wait until the last minute. Many tours we are taking require valid ID.

Air Travel and Check in time:

No Commercial travel is arranged for this training. There is no early berthing. Cadets are to arrive at training site beginning point by personal transportation. Cadets are to report to COPIAGUE VFW, 270 TROUVILLE ROAD, COPIAGUE NY 11726 between 2300 & 0100, June 29, 2022. Sea Bag inspection and ID check-in will be conducted prior to departure. Motor coach will arrive at 0400. This bus will be with us the entire duration of the trip.

Hotel Accommodations:

Hyatt Place, Chantilly, VA - Cadets will be sharing a room - 3 per room - separate queen size beds and 1 queen size pull out. Towels and bed linens will be provided from the hotel. Please note due to the safety of the cadets, all room reservations will not be under the cadet's personal name. Please do not try and call the hotel to speak to your cadet in their room as you will not be able to locate them that way.

Attire:

We will be wearing civilian attire for most of the trip. It is important we are all uniform in civilian attire. I have taken into consideration the heat, it becomes very hot in July. Dri-fit shirts are best suited for the heat. Please go to <https://www.kylecarpenterdiv.org> - under the Ship Store section on the homepage, you will find the link to the training and the required shirts. Click there to purchase the required shirts. Please purchase shirts when you pay for the training. Shirts take 4 weeks for delivery. The photo is the style of the shirt, an American flag will be embroidered on left sleeve. Shorts must be **Cargo Style in Khaki Color**. Shorts of this style will be necessary for storing personal items. There are no back packs permitted on this trip due to security check points. A group this size will take a long time to clear security check points. Females - no purses are permitted for the same reason. Escort officers will be permitted to carry backpacks. If your cadet needs to bring something with them that does not fit in their pockets, they must advise an adult staff member. **DRESS UNIFORMS WILL BE WORN WHILE TOURING, CAPITOL BUILDING, MARINE CORPS BARRACKS EVENING PARADE AND ARLINGTON CEMETARY.**

Parents please note the hotel that we are staying at does not have laundry facilities. You need to purchase a minimum of 5 shirts and cadets need to have a minimum of 5 shorts. You are able to purchase additional if you like.
